Industry City
Salutes
Michael Phillips’
Visionary Leadership.

Where makers and innovators meet.
Congratulations to the Waterfront Alliance for more than a decade of work revitalizing New York City’s harbors and waterfront.

AAL Construction Services applauds the Waterfront Alliance for its service and commitment to transform New York City’s shorelines and increase the use of its waterways.

“As an urbanist, I’m fascinated with the idea that cities were giant hubs for goods and now they’re the hubs for ideas and innovation and banking.”

–Michael Phillips
“I believe that climate change is the global issue that will lead the planet to sustainability.”

–Cynthia Rosenzweig
“We found this 28-acre site at the Bronx waterfront that was an old illegal landfill—all overgrown, and filled with trash and abandoned vehicles. It was love at first site.”

–Steve Smith
